Traer el Libro siempre 😊

1. Make the book cover and colour it.

2. Biography answer the questions

Martyn Hobbs

Martyn Hobbs is a British writer who creates books for children and students who are learning English. He is well known for writing graded readers, which are short and easy books designed to help learners improve their reading skills in English.

He studied literature and has worked as a teacher and writer. Because of his experience in education, he understands how students learn languages. This is why his stories use clear vocabulary, simple grammar, and interesting plots that are perfect for young readers and ESL learners.

Martyn Hobbs has written many books for educational publishers, especially for series that support reading comprehension, vocabulary development, and critical thinking. His stories usually include adventure, mystery, and teamwork, which make reading fun and engaging for students.

One of his popular books is David and the Great Detective, a mystery story about a boy who loves solving problems and acting like a detective. Through this story, students practice English while following an exciting investigation.

In general, Martyn Hobbs' books are valuable because they:

Help students improve reading in English.

Use easy and understandable language.

Include motivating and entertaining stories.

Support ESL and EFL learning programs.

He continues to be an important author in English learning literature for children and young learners.
