```
Em          C
   Another head hangs lowly
  G                D  Em
Child is slowly taken
                   C
And the violence caused such silence
  G            D
Who are we mistaken?

              Em
But you see,    it's not me
             C
It's not my   family
              G
In your head,   in your head
              D
They are fighting
                  Em
With their tanks    and their bombs
                  C
And their bombs,   and their guns
              G
In your head,   in your head
             D
They are crying

[Estribillo]

         Em            C
In your head, in your head
        G                D
Zombie,   zombie, zombie
               Em            C
What's in your head, in your head
        G                D
Zombie,   zombie, zombie

( Em  C  G  D )
( Em  C  G  D )
```

```
Em          C
   Another mother's breaking
 G               D  Em
Heart is taking over
                   C
When the violence causes silence
 G               D
We must be mistaken

          Em
It's the same old theme
       C
Since nineteen-sixteen
              G
In your head,   in your head
                   D
They're still fighting
                  Em
With their tanks    and their bombs
                  C
And their bombs,   and their guns
              G
In your head,   in your head
           D
They are dying
```

[Estribillo]

```
         Em            C
In your head, in your head
        G               D
Zombie,   zombie, zombie
               Em            C
What's in your head, in your head
        G               D
Zombie,   zombie, zombie
```
